

Products Description

Product name:	Blower Motor Housing	Model Number:	BMH01
Assembly request:	Match most brand electronic parts	Application:	for mass flow controlled of PM2.5, PM10 high volume air sampler
Measure:	190x190x300mm	Main Material:	Aluminum Alloy,
Weight:	1.5KGS	Surface treatment:	powder coating, anodized
Craft Process:	metal spinning / CNC	Warranty:	5years
Packing box meas.:	21x21x34cm		

Product name:	Blower Motor Housing	Model Number:	BMH02
